Safety Saturday – Discussed what worked/what needs improvements for 2009.

- Bike Helmet area needs to be improved and reorganized, area was not secure and did not flow smoothly. Some ideas were to fence off area, have additional help in handing out the helmets, presort the helmet sizes prior to event and have structured lines set up.
- Donations of \$91 were given to the Police Department for the event.
- Would like to send out thank you letters to all who helped and donated which includes the date for next years event and RSVP's.
- Lunch for volunteers-need more food/water. Possibility of "runners" handing out food to stations.
- K9 Units next year – possibly in a fenced in area?
- Misc items: Volunteer Tags, table spacing, paperweights
