***Old Business***

Fundraising – Commissioner Sievert contacted Jewel-Osco and scheduled Saturday, June 18 and Saturday, August 27 as the two dates for our fundraising event this year.

Discussion was continued on the purchasing of uniform reflective sticker numbers for New Berlin resident mailboxes. These stickers it is felt would make it easier for officers and other emergency workers to locate homes in response to calls. Additional vendors will be contacted since it has been determined that the numbers available through the internet are too costly.

Safety Saturday will be taking place on May 21, 2005. All assigned participating agencies have been or will be contacted by each assigned Commissioner by the next meeting. It was agreed to once again have the Band and the Rock Climbing Wall.

Officer Hanlon has contacted WE Energies in an effort to obtain funds for this years Safety Saturday.

Officer Hanlon continues to await a response to the several grants written on the committee's behalf to expand on our Crime Prevention efforts in the City.

New Berlin Kindergarten registration will be taking place on Wednesday, March 9 at the N.B. Public Library. There will be a staffed table there for handing out Kid Care Ids. and DNA/Fingerprint Kits. It was presented that 500 kits would be needed at a cost of approximately \$1000. There was a unanimous approval to allow Officer Hanlon to purchase these.
