TREASURER'S REPORT

Other purchases have been made for Safety Saturday and we will need to have bills come in for final balance.

OLD BUSINESS

Streets Department will put out sign on Moorland Road. Flyers have been distributed to all of the children in the schools and are also being taken to local businesses for display.

Officer Hanlon gave out copies of the layout of assigned areas for the groups participating this year, which also indicates an area in the southwest corner of the Target parking area for the Flight-for-Life.

Each committee member was given his or her assigned job for the day.

There will be a sign up sheet for interested, prospective people in the Neighborhood Watch Program.

We will also be giving our "KEEP KIDS ALIVE" signs for their yards to New Berlin residents.

Chairman McGill will have tickets for the volunteers who are helping the Committee for a quick hot dog meal inside Target.

The Committee is pleased with the participation of groups again this year, along with some new people.

We are going to go ahead with the Jewel-Osco cookout and Commissioner Sievert will secure a date for us.
