### III. NEIGHBORHOOD WATCH

We have interested people, and some who have signed up. Comm. Weber and Comm. Elliott are contacting people, getting good comments back from citizens. Comm. Mech suggested working through the neighborhood associations that many of the subdivisions have.

### IV. NEIGHBORHOOD WATCH SIGNS

We have requests for two new groups.

### V. TREASURER'S REPORT

Current balance is \$3,080.

### VI. OLD BUSINESS

Safety Saturday - Officer Hanlon has sent 'thank you' letters to all who said they were coming to participate. Crime Stoppers want us to man their booth. We will have bike helmets available for \$5 a piece. We will have KEEP KIDS ALIVE SIGN sign-up sheet and window stickers promoting KEEP KIDS ALIVE. Kid care kits will be set up again.

We will have some high school kids to help. WE Energies will have their Ranger Ted program and hand out tickets for free Target lunches to those kids who attend their skit. Most of the successful features of last year's Safety Saturday will return again this year. Target has been very helpful and has offered inside set-up for those tables and groups they can fit in, in case of rain. They also supply tables and chairs for our groups. Flight to life coming this year will depend on the weather as well as their schedule.

## VII. NEW BUSINESS

Bill Mech passed out copies of USA Freedom Corp-Volunteer Citizen Corps supported by Pres. Bush including expanding Neighborhood Watch.

The next meeting will be Wednesday, May 22, 2002 at the New Berlin Public Safety Bldg.

Motion by Comm. Weber and seconded by Comm. McMullen to adjourn at 8:01 p.m. and carried unanimously.

Respectfully submitted,

Shirley Mueller  
Secretary
