VI. OLD BUSINESS

Motion by Comm. McMullen to amend our by-laws to include, in membership description, the Fire Chief or his designate. Seconded by Officer Rothenbuehler and carried unanimously.

Discussion of Safety Saturday followed. Comm. Weber had information on availability of an inflatable bouncer and it was decided to add this item this year. Many features of previous years will return. Comm. McGill listed the variety of things the Fire Dept. will be doing including a Hi-Expansion Foam Demo. There will be a show put on by the Wisconsin Electric Company for the kids. We will also have a tracking dog showing his 'search' abilities. There are still contacts that need to get back to us to confirm their commitment. We are also receiving \$2,500 from Wisconsin Electric to use for expenses that day with which we can have some surprise things for the kids we haven't had in the past. The management at the Target Store has been very cooperative and will be of great help, even if we have inclement weather.

VII. NEW BUSINESS

None

The next meeting will be Wednesday, April 25, 2001 at the Public Safety Building. We need everyone to attend to finalize plans.

Motion by Officer Rothenbuehler to adjourn the meeting at 8:21 p.m. Seconded by Comm. McMullen and carried unanimously.

Respectfully submitted,

Shirley Mueller, Secretary
Marilyn McGill, Chairman
