

Minutes

Minutes of the Stormwater Ordinance Group held on January 19, 1999

Meeting called to order 5:35 p.m.

Present: Alderman Wysocki, Alderman Wilkens, Jeff Chase, Doug Davis, Mark Handzlik, Tom Chapman CDM, Dean Frederick, Jim Ritchie DNR.

Develop Criteria for Stormwater Regulation

Discussion on detention pond storage volumes required for various storms:

RETAIN RELEASE

50 year post development, 10 year pre-development
100 year post development, 10 year pre-development
100 year post development, 2 year pre-development
100 year post development, 2 year pre-settlement

After some discussion, the group agreed to retain the 100 year post-development rain event, and release it at a 10 year pre-settlement rate. Based on this standard the group agreed the secondary drainage system should have adequate capacity for the 10 year storm event.

Meeting adjourn 7:10 p.m.
