Relay For Life:

Due to the rain, a formal meeting was impossible. Random discussion took place about the Relay for Life.

Maja Middleton said that she was getting further information from the Police Department on the noise ordinance. Maja also mentioned that we have access to the school gym supplies and that we can use the volleyball net, soccer ball, kick ball, etc.

Megan Mozina mentioned that she had contacted the church choir and that she did not receive any answers from them yet. She is still looking into it.

It was decided that the tents would be set up around the field and possibly on the soccer field, if needed. Everyone thought that it would be a good idea for the band to set up on the infield.

Greg Bybee mentioned that the Executive Committee had a group meeting and that they came up with ideas for the sporty and non-sporty activities. A hula hoop contest was an example of one of the sporty activities that they had decided on. As far as the non-sporty activities, they had a scavenger hunt or egg drop in mind. There is an agenda that will be sent out with these plans.

Chris Teerlinck mentioned that she had contacted Cheryl Schober (the 4th of July Coordinator) about the tent rental. Chris Teerlinck also mentioned that we could do some extra fun activities at the event. Some of her examples were hair braiding, face painting, massages, selling food as an extra fundraiser, beauty school, etc.

Michelle Wagner talked to the West Cheerleaders about cheering for the event, and at the moment it doesn't seem like a possibility.

Adjournment:

The meeting was adjourned at 11:30am.
