Old Business:

- 01 06 11 Motion by Lynn Dahlvik and seconded by Fred Witty to drop from agenda. Motion carried unanimously.
- 01 07 01 Tony Goedheer presented two options for traffic safety at Eisenhower High School. Option One: One way all the time. Traffic enters on South end and moves around school to exit on North end. Option Two: Students and buses enter on the North drive way (no parking on North drive, extra lane to move traffic in and out.) Teachers enter on South drive way. Traffic comes and goes in both directions on North and South drive ways. Option two was preferred and 01 07 01 will be held on the agenda so Tony Goedheer can discuss it with the school administration.
- 01 07 02 Hold on agenda: discuss with Dave Ament and Church to get their Opinon on Police Dept. recommendation for no parking signs (aprox. 35 No Parking signs throughout the subdivision during festival time). Question, who pays for signs and who puts them up?
- 02 07 02 Motion by Paul Rozek and seconded by Fred Witty to drop from agenda. Motion carried unanimously. Randy Alf to send a letter of explanation, saying that it does not meet qualifications for an all way stop!
