03 02 11 I-43 overpass safety fences. The Commission believes the fence over I43 at Sunny Slope should still be installed. There are several subdivisions south of the overpass and many children cross this bridge to go to school and to play with friends in the subdivisions that are just north of the bridge. Ron Schildt will communicate with Mr. Thomas Heydel the Safety Commissions continued concerns for the Sunny Slope overpass. The Commission does not feel the Racine overpass is a concern at this time as there is very little pedestrian traffic on this overpass. This matter will remain on the agenda as communications with the State continue.
