

GIS Data Request Form

Instructions

Use this form to request GIS data from the City of New Berlin. Complete the form and call GIS staff at 262-797-2445 to discuss payment options.

Fee

The fee for locating, mailing, and reproduction of the GIS data is \$35 per request. If you have special requests, including custom maps and/or analysis, there will be an additional hourly charge to be determined by the GIS / LIS Coordinator.

Payment can be made at the New Berlin City Hall Cashier's Office. Cash or checks are accepted. Please make checks payable to: CITY OF NEW BERLIN. The fee may be waived for requests associated with City-sponsored projects. If so, please list City staff in charge of project: _____

Delivery Time

Data will be delivered upon receipt of payment. Most requests can be handled in 1 or 2 days. However, large requests and/or heavy staff workload may require additional time. Delivery time is not guaranteed.

Requested Data

Select from layers listed on the second page. Sewer, water, and storm water data is only available to persons doing business with the City and only for the site involved. Information that is not listed is not available.

Data Formats

Data can be delivered in several different formats, although GDB (geodatabase) format will yield the fastest response time. Please consult your software documentation for specific information and format conversion. City Staff is not available for assistance in data conversion or use of software.

Data formats: **SHP** – ESRI Shapefile; **GDB** – ArcGIS Geodatabase; **MrSID** – MrSID with ESRI World File; **DBF** – dbase IV; **TXT** – comma delineated text (Compatible with Microsoft Excel)

Area of Interest
