New Berlin Encourages Residents "STAY INFORMED!"

Sign-Up Now for *New Berlin Notes*

New Berlin WI - The City of New Berlin strongly encourages residents to sign up for the City's [New Berlin Notes](#). These notes come straight from the City Clerk every 1st and 3rd Thursday of the month and will come directly to the subscriber's email. The City's goal is to keep residents informed of all upcoming events, important information and deadlines. The City strives to make that happen with as much convenience for the public as possible, while maintaining cost efficiencies for our taxpayers. The *New Berlin Notes* are also available on the homepage at www.newberlin.org, please click on the *New Berlin Notes* icon.

And just a reminder to residents, the New Berlin Recreation Guide is going digital starting with the Summer 2021 edition. The publication will no longer be mailed to New Berlin households throughout the City. Signing up to receive the *New Berlin Notes* will alert residents when a new Recreation Guide is available for viewing. A limited number of Recreation Guides will be available at City Hall, the Library and the Community Center.

Finally, residents are encouraged to follow all the City's various social media pages including, but not limited to, the City of New Berlin Facebook page and the New Berlin Recreation Department Facebook page.
