NBPD Monthly Update – June 2021

NEW BERLIN POLICE CRIME STATISTICS: March - May 2021: The below graph represents primary categories during this reporting period in which our patrol division allocated resources. The majority of the OWI's & Drug Crimes are a result of proactive officer activity, usually stemming from a traffic stop. The remainder of the graphed categories in which we become involved, is a result of a victim, witness or a concerned citizen requesting our assistance with that respective incident.

FRAUDS: Residents of New Berlin have recently reported being contacted via the telephone by fraudsters seeking money for a grandson/granddaughter who is in legal trouble. If you receive this type of call, get off the phone and follow-up with the family member who is the subject of the call. Law enforcement doesn't accept bail payment in the form of gift cards or wire transfers, nor do we send an officer to your home to collect gift card or cash payment. For more information pertaining to "Grandparent Scams" & "Family Emergency Scams" please follow this link to the Federal Trade Commission: [Family Emergency Scams](#) For the most recent scam alerts, please follow this link to the Federal Trade Commission (FTC): [FTC-SCAM ALERTS](#) We also encourage you to follow us on Facebook, as we will routinely post regarding any frauds, scams or other crimes trending in and around our community: [NBPD ON FACEBOOK](#)

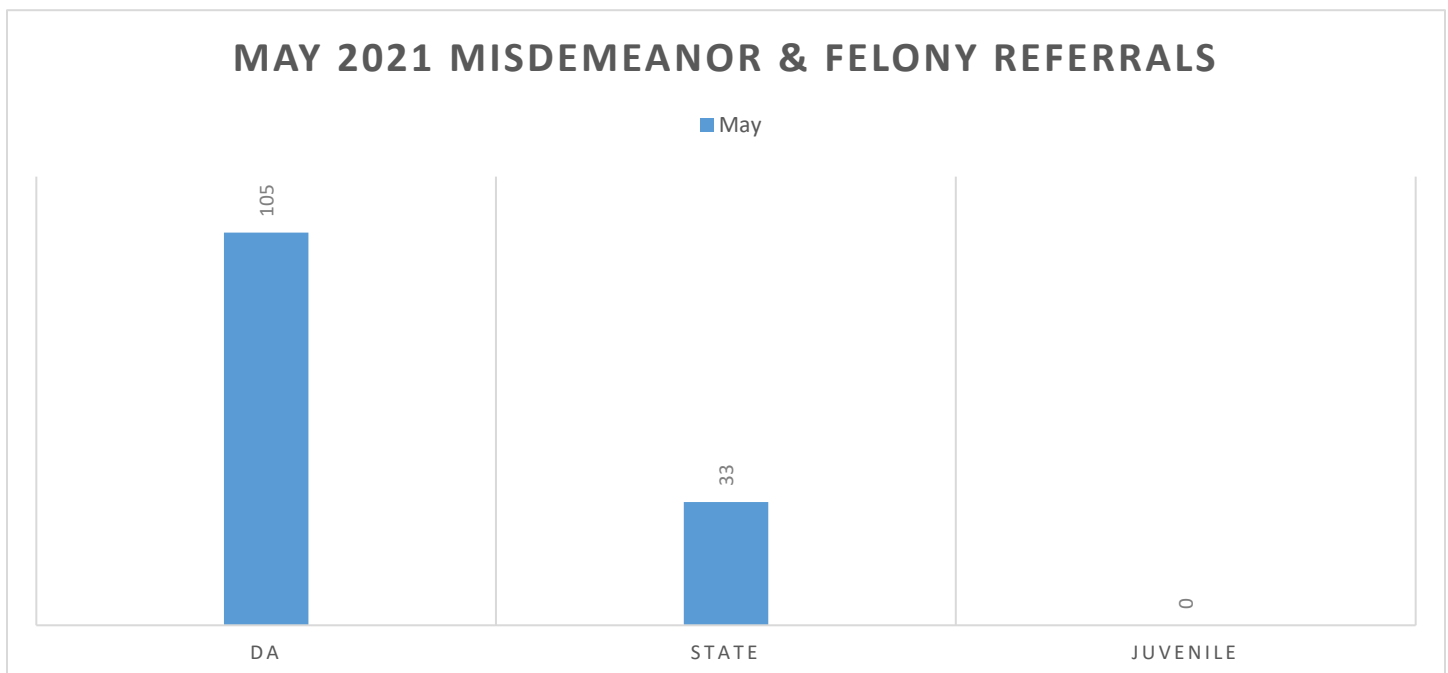

WELLBEING CHECKS: Wellbeing checks continue to be the top category in which we allocate resources. Please continue to check on friends, family and neighbors and report any identified concerns to the appropriate officials. If you are unsure of where or what to report, dial 2-1-1 to get started. Please follow this link to the FCC for more information regarding 2-1-1: [211 USER GUIDE](#)

PROPERTY CRIMES: The below chart compares property crime statistics from March – May 2021.

General theft complaints spiked in May. Six of the 18 theft complaints involved the theft of catalytic converters from vehicles parked in both commercial and residential areas. Residents also reported four incidents involving the theft of their vehicle. Unfortunately, in some of the vehicle theft complaints, offender(s) had an easy time stealing the vehicle as key fobs were left in an unsecured vehicle. While complaints involving theft from vehicles and theft of vehicles continue to be relatively low in New Berlin, the Milwaukee Metro Area is experiencing an upward trend in these two categories. Please continue to practice vigilance in reducing an offender’s **OPPORTUNITY** to victimize you by not leaving your vehicle/trailer unattended and unsecured containing keys/key fobs, guns, valuables, money or anything else that you do not want stolen, including your vehicle. As always, if you observe any suspicious activity, please **immediately report** such activity to the police department. REFERRALS FOR CRIMINAL PROSECUTION: In May of 2021, the New Berlin PD referred 105 charges involving adult offenders to the Waukesha County District Attorney’s Office for case review reference misdemeanor or felony prosecution. Additionally, 33 state traffic citations were issued.

REFERRALS FOR MUNICIPAL PROSECUTION: In May of 2021, the New Berlin PD issued a total of 364 municipal citations for non-criminal prosecution in New Berlin Municipal Court. 321 citations were traffic related, 30 citations were non-traffic related & 13 citations were OWI/PAC related.

NBPD MIDNIGHT VOLLEYBALL PROGRAM: Our midnight volleyball diversion program caters to New Berlin high school-aged students. It consists of a double-elimination sand volleyball tournament hosted at Malone Park volleyball courts on Monday nights (7:30 PM – 11:00 PM). T-shirts & gift cards are awarded on a weekly basis. The \$1.00 per person entry donation includes food and beverage. The 2021 program begins on 6/14 and concludes on 8/16. - Never leave an animal in a parked vehicle, even for a few minutes.
- The temperature in a parked car may hit 120 degrees within minutes, so just a 10-minute stop may be dangerous.
- Opening the windows a few inches doesn't provide enough cooling.
- If you're running errands, leave your pet at home.
- If traveling, make your pit stops at places where your pet can get out of the vehicle.
