NBPD Monthly Update – July 2021

NEW BERLIN POLICE CRIME STATISTICS: April - June 2021: The below graph represents primary categories during this reporting period in which our patrol division allocated resources. The majority of the OWI's & Drug Crimes are a result of proactive officer activity, usually stemming from a traffic stop. The remainder of the graphed categories in which we become involved, is a result of a victim, witness or a concerned citizen requesting our assistance with that respective incident.

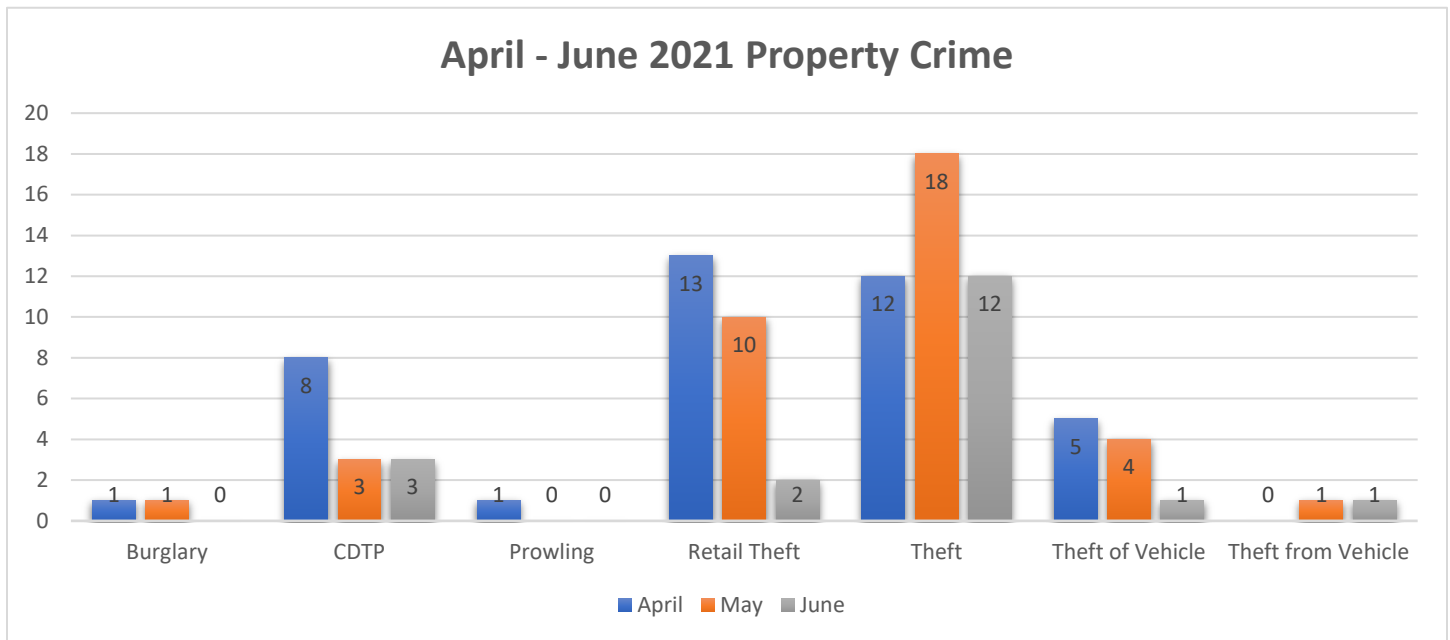

FRAUDS: Even though the graph depicts that reported frauds are at a three-month low, they still remain prevalent. While there are many different types of scams, a glaring warning sign that someone may be attempting to scam you is when the scam artist asks or demands payment in the form of **GIFT CARDS**. Legitimate businesses or governmental entities do not ask or accept payment in the form of gift cards. Gift cards should be only used for their intended purpose, giving someone a gift. For the most recent scam alerts, please follow this link to the Federal Trade Commission (FTC): [FTC-SCAM ALERTS](#) We also encourage you to follow us on Facebook, as we will routinely post regarding any frauds, scams or other crimes trending in and around our community: [NBPD ON FACEBOOK](#)

WELLBEING CHECKS: Wellbeing checks continue to be the top category in which we allocate resources. The majority of the wellbeing checks in which we responded involved people experiencing a crisis related to their mental health. We also responded to situations involving older adults or adults with physical or developmental disabilities that were unable to care for themselves in their current living situation. Please continue to check on friends, family and neighbors and report any identified concerns to the appropriate officials. If you are unsure of where or what to report, dial 2-1-1 to get started. Please follow this link to the FCC for more information regarding 2-1-1: [211 USER GUIDE](#) The Aging & Disability Resource Center of

Waukesha County (ADRC) also has a plethora of resources available for older adults, adults with physical or developmental disabilities and adults with mental health or substance abuse concerns. Follow this link to the ADRC 2020-2021 resource guide:
