NBPD Monthly Update – August 2021

NEW BERLIN POLICE CRIME STATISTICS: May - July 2021: The below graph represents primary categories during this reporting period in which our patrol division allocated resources. The majority of the OWI's & Drug Crimes are a result of proactive officer activity, usually stemming from a traffic stop. The remainder of the graphed categories in which we become involved, is a result of a victim, witness or a concerned citizen requesting our assistance with that respective incident.

FRAUDS: Recently, residents of New Berlin reported receiving letters accompanied with checks advising the respective resident that they won a contest or lottery, that they never entered. The letters asked the addressee to keep the matter confidential and instructed the resident(s) to deposit the several thousand-dollar check(s) in their bank and then mail a requested fee to a contest/lottery official so the remainder of their respective winnings could be awarded. Fortunately, the residents that reported this scam did not send any money, recognizing it was a scam. Rule of thumb regarding lotteries and contests: 1. You have to enter to win! 2. If you have to pay money to receive money, it's a scam! For the most recent scam alerts, please follow this link to the Federal Trade Commission (FTC): [FTC-SCAM ALERTS](#) We also encourage you to follow us on Facebook, as we will routinely post regarding any frauds, scams or other crimes trending in and around our community:

WELLBEING CHECKS: Wellbeing checks continue to be the top category in which we allocate resources. The majority of the wellbeing checks in which we responded involved people experiencing a crisis related to their mental health. We also responded to situations involving older adults or adults with physical or developmental disabilities that were unable to care for themselves in their current living situation. Please

continue to check on friends, family and neighbors and report any identified concerns to the appropriate officials. If you are unsure of where or what to report, dial 2-1-1 to get started. Please follow this link to the FCC for more information regarding 2-1-1: [211 USER GUIDE](#) The Aging & Disability Resource Center of Waukesha County (ADRC) also has a plethora of resources available for older adults, adults with physical or developmental disabilities and adults with mental health or substance abuse concerns. PROPERTY CRIMES: The below chart compares property crime statistics from May – July 2021.

In early July, a group of offenders targeted vehicles parked in residential neighborhoods. Three unlocked vehicles were stolen with keys, eleven additional unlocked vehicles were entered and rummaged through and four of those vehicles had property taken.

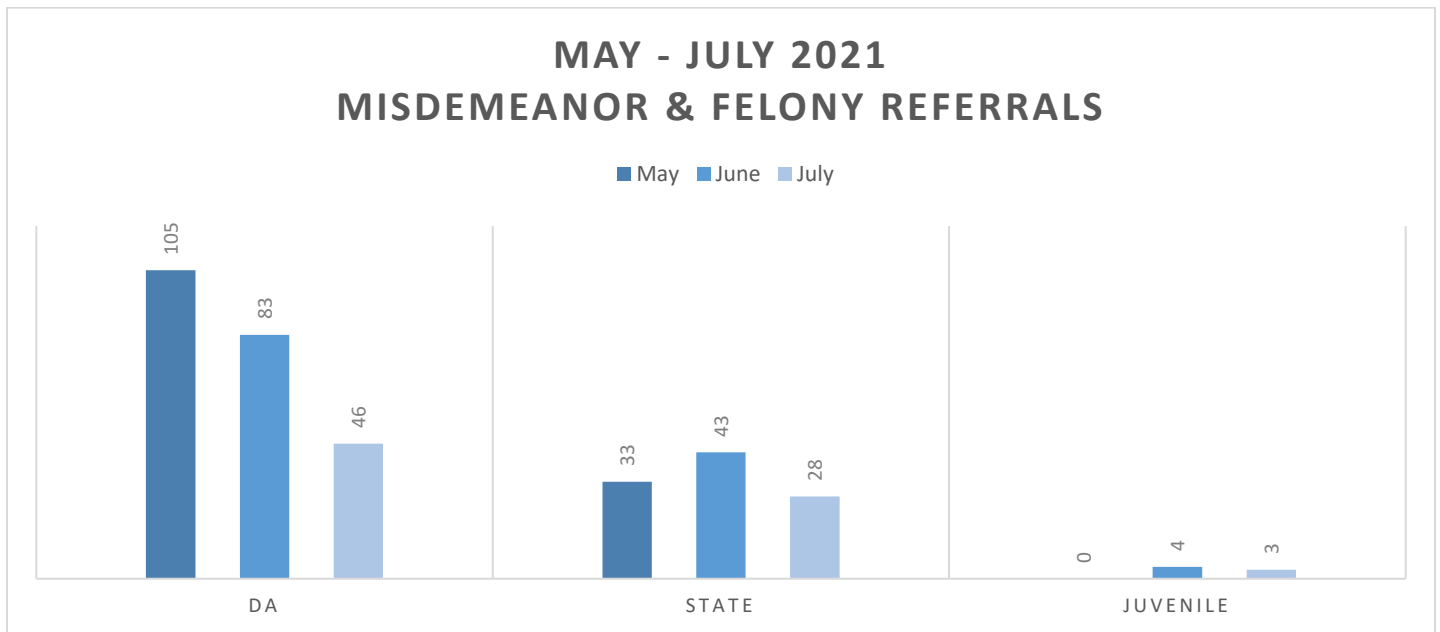

Please Lock Your Cars!

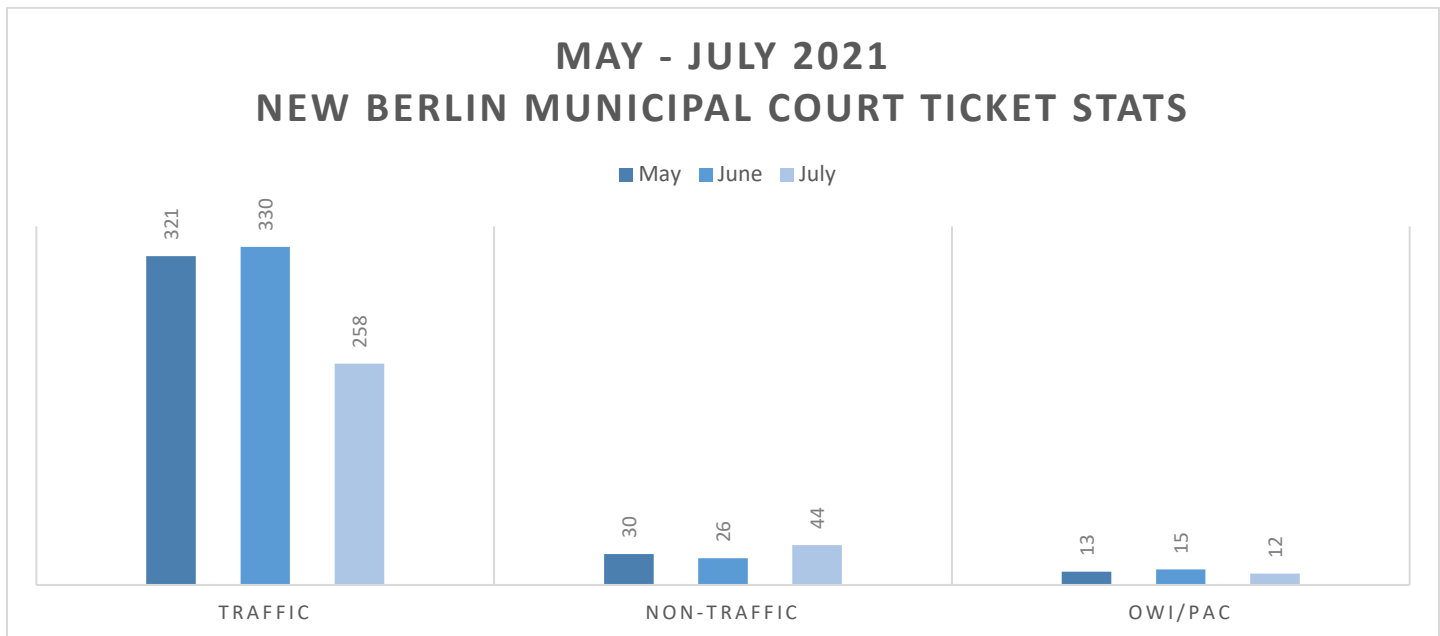

The NBPD would like to remind residents to please safely secure your vehicle, and to take all valuables with you!

Of the 16 general theft complaints reported in July, some of those complaints involved the theft of scrap metal and pallets from commercial properties. Another portion of those theft complaints involved unattended and unsecured property stolen from residential properties. Please help reduce an offender’s opportunity from victimizing you by minimizing the outdoor storage or unsecured storage of items of value.
