## NBPD Monthly Update – September 2021

**NEW BERLIN POLICE CRIME STATISTICS: June - August 2021:** The below graph represents primary categories during this reporting period in which our patrol division allocated resources. The majority of the OWI's & Drug Crimes are a result of proactive officer activity, usually stemming from a traffic stop. The remainder of the graphed categories in which we become involved, is a result of a victim, witness or a concerned citizen requesting our assistance with that respective incident.

**FRAUDS:** For the most recent scam alerts, please follow this link to the Federal Trade Commission (FTC): [FTC-SCAM ALERTS](#) We also encourage you to follow us on Facebook, as we will routinely post regarding any frauds, scams or other crimes trending in and around our community: [NBPD ON FACEBOOK](#)

**WELLBEING CHECKS:** Wellbeing checks continue to be the top category in which we allocate resources. The majority of the wellbeing checks in which we responded involved people experiencing a crisis related to their mental health. We also responded to situations involving older adults or adults with physical or developmental disabilities that were unable to care for themselves in their current living situation. Please continue to check on friends, family and neighbors and report any identified concerns to the appropriate officials. If you are unsure of where or what to report, dial 2-1-1 to get started. Please follow this link to the FCC for more information regarding 2-1-1: [211 USER GUIDE](#) The Aging & Disability Resource Center of Waukesha County (ADRC) also has a plethora of resources available for older adults, adults with physical or

developmental disabilities and adults with mental health or substance abuse concerns. Follow this link to the ADRC 2020-2021 resource guide:

**PROPERTY CRIMES:** The below chart compares property crime statistics from June – August 2021. In August, New Berlin recognized a reduction of property crime when compared to July.

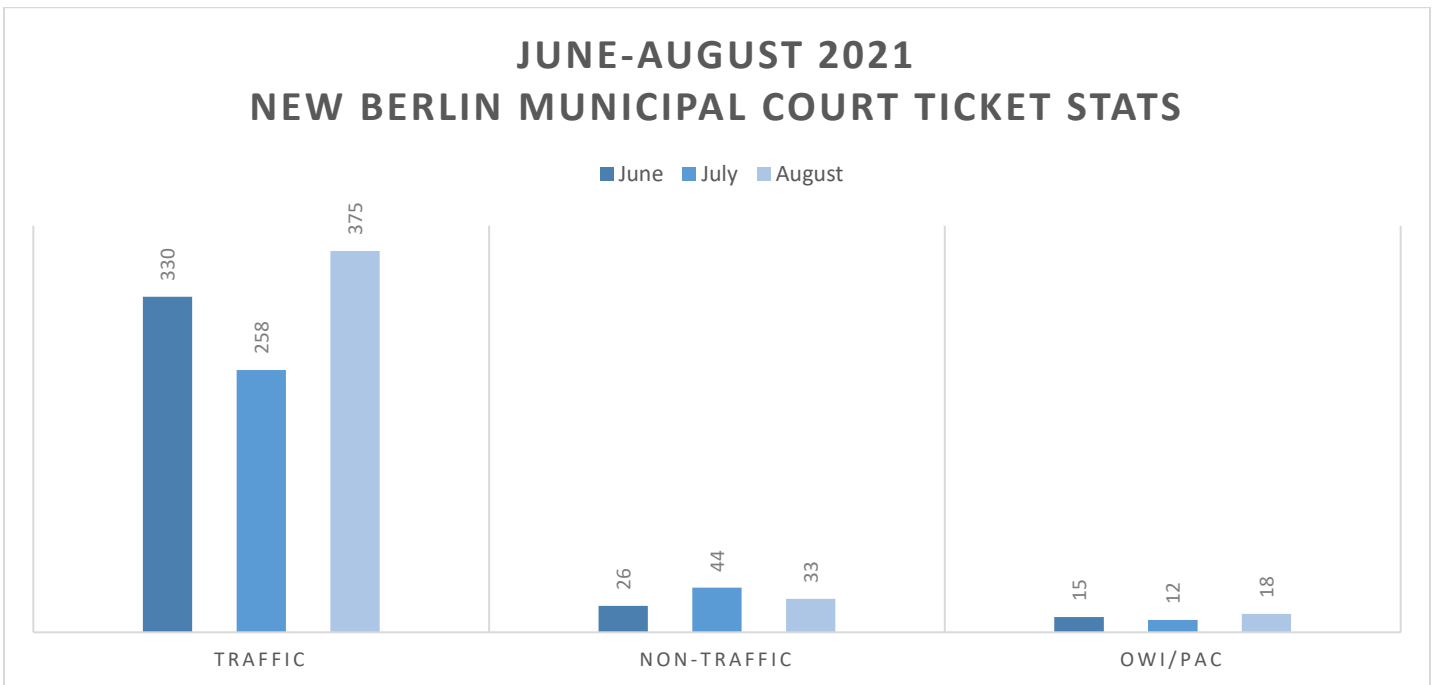

As you are probably aware, the Milwaukee metro area has been experienced incidents of “car-jackings”. One component in reducing an offender’s opportunity to victimize you or your property is practicing situational awareness. The following tips regarding situational awareness may assist you in avoiding and/or getting yourself out of a critical incident:

- Never leave your car running while unattended.
- Be wary of individuals who may be attempting to distract you while you are performing activities such as pumping gas or loading groceries.
- When you are walking to your vehicle, make it your practice to scan the area for suspicious person(s) loitering near your vehicle, prior to approaching it.
- When you are stopped in traffic, leave yourself an out. Don’t pull up too close to the car in front of you in case you need to maneuver around it. Don’t become boxed in with cars on either side in case you need to evade a critical situation by making a U-turn or right turn.
- Finally, when you are driving and or stopped, pay 100% attention to your surroundings, avoiding the urge to become distracted by your smart phone or anything else. This allows you time to recognize a potential threat and take action to remove yourself from the situation.

**REFERRALS FOR CRIMINAL PROSECUTION:** In August of 2021, the New Berlin PD referred 87 charges involving adult & Juvenile offenders to the Waukesha County District Attorney’s Office for case review, reference misdemeanor or felony prosecution. Additionally, 15 state traffic citations were issued.

**REFERRALS FOR MUNICIPAL PROSECUTION:** In August of 2021, the New Berlin PD issued a total of 426 municipal citations for non-criminal prosecution in New Berlin Municipal Court. 375 citations were traffic related, 33 citations were non-traffic related & 18 citations were OWI/PAC related.
